

The McCheyne Bible Reading Plan will take you through the New Testament and Psalms twice, and the rest of the Bible once, each year. If that is too much to read, you can use it over a two-year cycle by reading two passages instead of four each day.

Robert Murray McCheyne (1813–1843) urged Christians to grow in their faith by reading Scripture daily. He developed this system to help build a habit of reading in more than one part of the Bible each day. In this way its users would grow in their understanding of God's great plan of salvation, stretching from Genesis to Revelation. It is used by countless Christians around the world.

Robert Murray McCheyne was born in Edinburgh, entering Edinburgh University at the age of fourteen. His brother David died four years later, and David's death had a profound impact on him. Taking spiritual matters with a new seriousness, McCheyne began a second degree, in Divinity. He served as minister of St Peter's Kirk, Dundee, Scotland until his death, aged 29.

*read the Bible in
one or two years*

ROBERT MURRAY McCHEYNE

Foreword by Doug Birdsall & Lindsay Brown

TO START YOU OFF

The late Dr Martyn Lloyd-Jones introduced me to the McCheyne calendar in the 1950s, and I have used it ever since. To me its great value is that it begins with the four 'great beginnings' in Scripture – Genesis (the birth of the universe), Ezra (the rebirth of the nation after Babylonian captivity), Matthew (the birth of Christ) and Acts (the birth of the body of Christ). Then we follow the unfolding of these four stories. Nothing has helped me more than this to grasp the grand themes of the Bible.

John Stott *Honorary Chairman, The Lausanne Movement*

I find that some sections of Scripture which seem to be the least exciting are the ones which speak to areas of greatest need in my spiritual life. So I need to make sure I regularly read the whole Bible. In this way, 'the whole counsel of God' is able to challenge my mind, which is so prone to straying from God's way of thinking.

Ajith Fernando *Director, Sri Lanka Youth for Christ*

Why not use this with a few friends? You can talk about what you've read and keep one another going! I try to understand what I'm reading much more if I know I'm going to have a conversation about it later.

Elaine Duncan *Chief Executive, Scottish Bible Society*

For those whose lifestyle is organized, this system is a great asset, while for those whose lifestyle is more chaotic, it pulls us back into line. Reading the Bible is a tough discipline, and we all fail at times, but do press on and don't be defeated.

Phillip Jensen *Dean of Sydney*

The world is constantly clamouring for our minds, and this is why I warmly encourage you to make use of the McCheyne Bible Reading Plan. It anchors hearts in the Word of God.

Joni Eareckson Tada *President, Joni and Friends*

Let me tell you of one of the greatest challenges and one of the greatest blessings in my life over the past 40 years. The challenge has been to discipline myself to daily Bible reading. The blessing has been in my life through that discipline. This Bible Reading Plan will help both you and me to continue with this discipline.

Peter Maiden *International Director, Operation Mobilisation*

As I strive to be a follower of Christ I am deeply impressed by the way Jesus himself knew the Scriptures, submitted to their authority in his own life, and referred to them constantly in conversations with others. This is what motivates me to immerse my mind day by day in the broad sweep of Scripture.

Mike Treneer *International President, Navigators*

Somehow we must all get to know the Bible, be familiar with its characters and stories, secure in its doctrines, able to feed on its nourishing truths. There is no shortcut to this. Here is one of the more famous and popular systems used over the years. Embrace it enthusiastically and discover if this is the way God will help you to become what you need to be, a Bible-based Christian.

Terry Virgo *Leader, Newfrontiers Team*

How did the life of a man who died aged 29 have such lasting impact? The answer is found in his passion for Christ – expressed in a hunger for holiness, and a heart for the poor and for those who do not know Christ as Saviour. This was the work of the Holy Spirit and the power of God's Word in his life. Robert Murray McCheyne practised and preached this reading plan. You too will find it more precious than gold.

James Hudson Taylor III, *Former General Director, OMF International*
